## ROEDER'S TRUE REMEDY.

Joseph Roeder, Proprietor and Mfr.

### FOR THE CURE OF ALL DISEASES.

No need of alarm at sickness of any kind, as Roeder's True Remedy will promptly relieve and cure all diseases that Men, Women, or Children are liable to, by purging and working out of the system all Feverish, Inflammable, and Acrid matter (the true cause of all Diseases) which will relieve the affected parts and Organs of pain and inflammation, Subdue Fever, and the purified healthy fluids of the circulation will (by the crown natural inclination) heal up all Sores, Abscesses, Wounds, and Bruises, and restore general health. It is useless to treat every symptom of sickness as a special Disease, when there is only one cause for all, which consists of Stagnation and Degeneration of the Vital life sustaining fluids, mostly produced by chills and colds and inaction of the Secretive Organs, which, if not freed and purged of these dangerous accumulations, they will be lodged or carried by the circulation to the Vital parts, Organs, Tissues, Glands, and Nerves and produce (by their more or less poisonous or acrid nature) Fever, Inflammation, Rheumatism, Abscesses, Tumors, Eruptions, Paralysis, Cancer, Tetanus, Blood Poisoning, and painful disorders of all kinds. But all disorders and symptoms of diseases will be relieved and Cured (if local) by from three to six, and in general sickness by from five to ten (effective) doses of Roeder's True Remedy (as records of cures on circular will show), and patients need not look with fear, but with contempt, on all symptoms of diseases (known by hundreds of names, as they will all disappear with the discharges of the ailing matter. Price of Medicine, \$1.00 per Bottle. Sample Bottles, 50 cents. (Circulars free.) Direct your orders and communications to

# STREET AND AVENUE DIRECTORY

OF THE

## CITY OF BROOKLYN.

---

COMPILED FROM THE OFFICIAL RECORDS

ADOPTED BY THE COMMON COUNCIL.

---

LAIN & CO., PUBLISHERS,  
17 WILLOUGHBY STREET, BROOKLYN.

AND

121 FULTON STREET, NEW YORK.

---

Showing the commencement and termination of each Street, Avenue, Place, Lane, Court, etc., in the City, together with corner numbers of every intersecting Street or Avenue.

### EXPLANATIONS.

If you desire to ascertain the location of any number—for instance, No. 250 Nevins street—you will observe that No. 240 Nevins is on the corner of Douglass, right side, and No. 256 Nevins is on the corner of Degraw, hence the desired location of No. 250 Nevins street is between Douglass and Degraw, on the right side.

Or, suppose you wish to take a car for the purpose of reaching as nearly as possible No. 559 Willoughby avenue. The Street Directory shows (see Willoughby avenue) that No. 511 Willoughby avenue is on the corner of Marcy avenue, and No. 581 is corner of Tompkins avenue, both on the left side so that to reach No. 559 Willoughby avenue, you will leave the car at either Tompkins avenue or Marcy avenue.

Even numbers will be found on the right side, odd numbers on the left.

A \* placed in the right or left column denotes that the street or avenue does not extend to that side.

A—denotes that there is no number on the corner.
